How to turn her on and beg for more

FOREPLAY MADE EASY

Nothing makes me happier than coming inside a willing woman's mouth or pussy. I really care about my sex partners and always strive to make them lust after happiness. My pleasure comes in pleasing them, and the techniques I've used over the last few years have always worked.

If you saw me standing alongside a movie star or athlete, you'd never guess just by looking that I'd be the type of dude women would prefer. My looks are average, but my game is tight. It's something special. Women get off on more than my pumping eight inches. What drives them to the point of pure frenzy is my pussy-teasing.

A lot of my friends are married and their wives go nuts over my nuts. I have no qualms about fucking a married woman, because they're always willing. Actually, they're more than that. After they experience my special foreplay techniques, they

become wild, uncontrollable nymphos begging for my dick.

It was my next-door neighbor who first clued me in to pussy-teasing. At the time, I was a lanky adolescent who spent most nights jacking off with centerfolds. I still get off on solo sex, but nowadays it's strictly a warm-up.

Sandy was 18 when I met her. She was so stacked and sexy that I found myself fantasizing about her day in and day out. She wasn't interested in me. She was too busy dating college guys, and even slipping one or two into her house (and into her pussy). I'd lie in bed fantasizing about her. If she wasn't banging some guy, I imagined she was frigging herself into the wee hours.

I'd dream of kissing her smooth face, touching her velvety brown hair, and squeezing her nicely rounded tits. One night I had a few too many beers and her folks were out for the evening. Sandy was

alone. When I knocked on her door, she told me to come in. I did and my heart almost stopped beating. She was lying on the sofa with her legs spread wide and her index finger stuck inside her. I stood there slack-jawed, staring at her glistening gash for the longest time.

"Would you like a little help?" I finally asked. Sandy smiled dreamily but put up her hand like a stop sign. "We're almost brother and sister," she said. "Even though I'd like to fuck you, I'd feel funny about it."

I watched as her hole widened and widened. She plunged two fingers in and out and then told me how to work on her clit. She urged me to start stroking. I listened and watched the way she brought herself off. My eyes were glued to her gorgeous gash. "I want your fingers in me," she moaned. "Your mouth and tongue can tickle my pussy too."

I didn't have to take notes. Her

lecherous lesson is forever embedded in my mind. The most important technique I learned: tease a pussy by playing hard to get. I was about to sulk back to my room and my right hand. But she must have felt sorry for me. "Come here, Al," she compromised. "I'll let you watch."

Watching her masturbate, I learned how a lusty chick really likes to receive pleasure. Sandy spread her shapely legs and ran her fingers up and down her sweet pussy. Her fingertips were saturated with her secretions. She allowed me to sniff and lick the hot drops on her fingers. She then explained how to really get a girl going by gently working on her sensitive pussy lips: "Make them swell by caressing them nice and gentle with your tongue."

It was a lesson in lust and pussy-teasing. Besides watching, playing hard to get is the key, you see. Sandy said the more aroused a girl becomes, the greater her demand will be for cock. But knowing how to bring a woman to that peak of desire and keeping her suspended there in a state of absolute frenzy is the real trick.

With pussy-teasing, foreplay never becomes work. By the time I actually slip my dick inside my woman's pussy, she's practically on the verge of coming. Premature ejaculation doesn't exist, since a woman needs only a few pumps to get over the hump.

A decade after Sandy's lesson, I'm still putting my knowledge to

work. I've perfected my technique over the years. Let me tell you about Vicki. As a fireman, I have a lot of free time and I put them to good use. Vicki's husband is a college professor who doesn't like getting his hands dirty. All he can do with a hammer is give you the history of its origin and development. His wife, one of his former students, is a stunning woman, with fiery red hair.

She always turned me on. One morning, when I installed a new bedroom window for her, I turned her on too—to pussy-teasing. She

hung around the whole time I was working, flirting openly. I studied her from head to toe and knew she wanted it bad, but she was in for a surprise if she expected a quick fuck. That's just not my style. I tease to please, not just with my body but also with my mind.

I put down my tools and took her in my arms. She didn't resist in the slightest. In fact, she pressed her body hard against mine, rubbing her big jugs across my chest.

"I need cock so badly!" she sighed. She slid her hand down my chest, found my stiffening joint, and gave my dick a gentle squeeze.

When we were totally naked, I said, "I want to please you first with my mouth." She beamed, lay back on the bed, and spread her fleshy thighs. I moved to her pussy, sniffing and inhaling the molten lava burning up inside. I've learned that words can tease as much as fingers can. I told Vicki, "Your pussy is beautiful. You should be proud of yourself. It's so big and pink and juicy."

She was pleased, judging by the warm juices suddenly spurting from her slit. Too many women still feel self-conscious about their pussy. Why, I'll never know. Teasing them by praising them is a surefire way to make them hot.

Vicki's breathing was erratic, coming in spurts, as I inched closer to her tempting pussy. Like my neighbor Sandy told me, I teased with my mouth and tongue, flicking Vicki's sex button and lap-

ping up her warm juices. I used my tongue as a surrogate cock, plunging in and out of her wet pussy. You don't need a super-long tongue, just like you don't need a foot-long dick, to make a lady insane. Vicki loved the feeling; writhing on the bed and begging me to stick my cock inside her.

"You'll have to wait," I said, actually fighting that urge to bang the daylights out of her. Teasing by playing hard to get makes my part-

ners insatiable and determined to give even more of themselves in the act. Vicki was frantic as I licked her swollen pussy lips and rocked her pussy hard against my sucking lips as she climaxed.

By the time I slipped inside her, Vicki was into her third orgasm. That's how helpful teasing her pussy had been. All I had to do was concentrate on my own pleasure, pumping like a jackhammer until I filled her pussy. Afterward, she admitted her husband was too quick with his prick, leaving her always in a state sexual tension.

Vicki's friend, Angela, works for the local newspaper. I ran into her in a bar one night and she was already half loaded. It seems her husband was determined to experiment with different partners and after a few drinks, she was too.

Angela has jet-black hair, emerald green eyes and smallish tits. She placed a hand on my leg and said, "Vicki says you're quite a consoling person." I kissed her neck and teased her with my tongue. "I bet your pussy needs some consolation right about now," I suggested. She was unaccustomed to curse words. Blushing slightly, she was nonetheless turned on.

We left the bar and went to my apartment; more precisely to my bedroom. I undressed her slowly, telling her that watching the clothes peel off slowly has to be one of the greatest experiences in a guy's life. Like Vicki, she complained about her husband's speed at fucking and

his determination to satisfy only himself, but never her. When I saw how beautiful she was, standing there in the nude, I realized how great teasing her was going to be.

Her hair rested gently on her ivory shoulders and I began finger-fucking her nice and slowly. She scratched my back while humping up and down on my hand. It wasn't long before she sighed and wet my wrist with her warm muff-juice. I made her get up on all fours for

our fuck scene. I enjoy penetrating pussy in that position, since I can bang my pelvis against a woman's ass-cheeks. It also gives me perfect leverage for the ultimate technique of pussy-teasing.

Sandy always said the main thing to remember is to do it slowly. Although my natural inclination was to hammer home, I held back, intent on teasing Angela to the point of no return. I slid inside her pussy and then withdrew almost completely. A sigh of disappointed surprise escaped from Angela's lips.

This told me how effective my

pussy-teasing really was. Before she could beg for more, I plunged in and then started to withdraw again. Angela began wailing, pulling at the sheets and sobbing. Grabbing the base of my shaft, I swirled my cock around her hole, circling and tickling her outer pussy lips until she screamed "Stick it in! All the way!"

I pumped in and out, knowing she was craving it. She met my thrusts with beautiful backward motions of her buttocks, slapping her ass-cheeks against my groin. As we rocked steady, I again pulled out—this time all the way. Before she realized what was going on, I quickly put my mouth on her pussy. She was too far gone to stop humping.

I used my mouth and tongue to tease her some more. Sucking up her warm pussy juices, I also teased her anally with my fingers, sexually teasing her body totally. I was fingering her titties too. When she was on the brink, I inserted my cock, this time fucking

good and hard until we both came.

Later, I made her straddle my face as I lay on my back, so I could lick our fuck juice. Naturally, pleasing her pussy with my tongue made her super-hot again, so we fucked once more.

It takes a lot of willpower to pull out of a pussy, but the end result makes it worthwhile. Tease to please means flirting before actually fucking. Sandy was right when she predicted: "Turn on her pussy and you'll keep a woman smiling between her legs forever."

I couldn't agree more.

THE LANGUAGE OF LUST

A HORNY TEACHER CRAMS A STUDENT

My English teacher was a very sexy man. So after class one night, I said to him, "I have never screwed one of my teachers. Perhaps you could teach me what it would be like..."

He locked the door and pulled off his clothes excitedly. "I'd be happy to show you, my dear." He not only had a very handsome face, but also a handsome body, and he was very handsome below the belt.

He cupped my large tits tenderly in his hands and kissed them gently, pressing his open lips into the soft flesh. He sucked on my hardening nipples as I thrust my fingers through his hair and dragged my fingernails over his muscular back. A deep shiver rippled through his body. He sucked on my breasts even more excitedly as he squeezed and fondled them.

Most of the guys in my hometown don't waste any time in getting to "break the bed"—fucking. But my teacher took my body slowly, enjoying each part of it, savoring it as if it were a ripe fruit.

Between my legs, he devoured my honeypot hungrily, licking the swollen lips with his strong tongue and thrusting his fingers inside to excite my tender clit with teasing and touching. Pushing his face deeper into my wet pussy, he sucked the engorged bud between his pursed lips and stroked and teased it with his tongue.

When he had excited me so much that I screamed for him to fuck me, he laid me back on the desk and plunged deep inside me, his huge dick sinking fully into the embrace of my clutching hole. We lay that way, while I grabbed his rod and pulled the firm ass-cheeks to me as hard as I could.

Then he pulled himself out, slowly and sensually, letting the tight lips of my pussy drag up the sides of his hard, wet meat until they clung to the bulbous head. He grinned at me sexily and lowered his head to suck on my breasts as he teased my clit with the head of his dick.

His mouth was gentle and his hands caressed me with a loving touch before he plunged deep inside me again. I gasped at his fullness and screamed for joy, wrapping my legs around his hips and tightening my thighs. I did not

As I screamed and thrashed my hips about, he lost control, too.

want to let my teacher go. I wanted him to teach me all the fine points of how an experienced man fucks.

He fucked me hard and long, pulling himself out and pushing himself in deep, over and over, until I couldn't stand the amazing feeling any longer. I climaxed, screaming and digging my nails into his powerful muscles.

As I screamed and thrashed my hips about, he lost control, too. With a deep sigh of satisfaction, my lover's body stiffened, and he fired hot streams of his love juice deep inside me.

I could feel the explosions of his cream hitting the back of my pussy, and I could feel my muscles grip his dick and squeeze out the hot cum that spurted from it. We lay holding each other until our breathing slowed.

"Now for lesson number two," my sexy teacher said as he pulled his softened, empty dick from my happy pussy-lips. "Ready for me to eat some pussy?" I giggled at his use of sexy language as he replaced the amazing ap-

pendage with his hot mouth.

I gasped. My pussy was sensitive, and his delicate lips and flickering tongue brought me to the brink of orgasm very quickly. I exploded into his mouth and bathed him with my hot female juices, which he licked up hungrily, taking care to suck each of the many curly hairs of my furry bush clean.

Then he turned me over and kissed me all over my bottom and gave me the beautiful “black kiss.” He pushed his tongue deep into my asshole and tickled the delicate tissues inside. I gasped at his technique. I had no idea that a man could perform this act so exquisitely. His fingers traveled over my back and up and down my legs as his mouth kissed and sucked at my excited entranceway.

Then, when he felt I was sufficiently primed, he pulled himself up over me and thrust his big dick into my butt-hole. It was an exquisite pain that filled me and raced through my body as he plunged deep inside. In an instant, as he began to thrust himself in and out of my back door, I was filled with excitement.

I lifted my hips into the air so that he could have a better angle and so that I could push my hands under myself and into my pussy and finger my excited clit. It was a wonderful feeling to feel my teacher fucking me deep in the back hole, while I could feel my own fingers thrusting deep into my pussy, setting my clit on fire.

My large breasts pressed into the desk, and the sensitive nipples rubbed against the smooth top. I came again, screaming and thrashing my hips, this time feeling his big dick churning inside my ass as it had churned inside my pussy.

As I screamed and held on tight to the sides of the desk and jerked my butt around in the air, suddenly his hands grabbed my hips and held them still. With a mighty plunge he slammed his big dick deep inside my ass so hard I could feel his lower belly smack against my butt and his heavy-hanging balls slap against my pussy. He also

came with a loud yell and a vigorous thrashing of his muscular body.

We had many such sex lessons. And my English is getting better all the time.

THE HOT MAIDS WHO LOVE TO SPREAD 'EM FOR THESE HORNY DUDES

My buddy and I are pool men, and we go from house to house. The sexy maids who work in some of these places are willing to spread their legs to remind us of home. One of them, a real hot girl, Maria, liked us both at once. She was an 18-year-old beauty, with tits to make our mouths water and an ass to make our dicks stand up and scream.

I'm Maria's age and am in pretty good shape, with what I must say is a good-sized dick, but my boy Mike is 20 and has a dick that would take any chick's breath away.

All of us got naked in the pool house. Maria pulled off her uniform, never taking her eyes from my buddy's huge pole. I grabbed her breasts, while Mike went straight for her pussy. Squatting down, he clamped his mouth onto

her juicy lips, and from the look on her face, I could tell he was tonguing her good—his tongue is as talented as his dick is big.

I reached over to grab onto her sweet tits and tried to suck and squeeze

them and stay out of Mike's way. Finally, I decided to work my way around to the girl's back and hold onto her breasts from behind. I pulled at the nipples, squeezing them between my fingers and flicking them lightly. Her tits are big, and I loved the feel of the firm flesh under my fingers, though I wanted to be sucking on them.

Mike licked and slurped at her pussy as I rubbed my body up and down, feeling my hard muscles massage the firm muscles of Maria's back. Her soft butt pushed my thighs and I dragged my wet dick up and down her ass-crack, drooling sticky man-grease into her hole.

She squealed and gasped and ground her ass back against me and practically pulled the hair out of Mike's head. I got down on my knees—Mike was on his knees in front—and started to rub my face all over her firm ass-cheeks.

They felt great. I licked and bit and

plowed my nose all around. She kept reaching, trying to grab my head, but I kept out of her way until I pried her butt-cheeks apart and got my mouth onto her asshole. By then, I didn't care if she snatched me bald. I wasn't leaving that sweet, juicy pucker.

My tongue twirled around her butt-hole and shot in and out, tickling and

I quickly jumped up and pushed my dickhead against her ass and whispered in her ear, asking if I could fuck her ass. She nodded, Yes, yes! I eagerly pushed my dick into her.

It was a little tough to get in at first, and I wondered if maybe it was a virgin butt I was getting the chance to screw. Still, once the head of my pole drilled

I gave her tight ass a good workout. Her asshole grabbed my dick like a fist, which excited me enough to pound my bone harder into her butt. I fucked like a man possessed and Mike sucked like crazy, and suddenly she was screaming and laughing and crying with joy. I guess she came two or three more times, if not more.

While she was yelling what a good time she was having, Mike quickly stood up and shoved his dick into her mouth, and we both went at it with me fucking her ass and grabbing her tits and Mike fucking her face like he was trying to shove his dick all the way down into her pussy.

Suddenly, I blew a big wad, ramming my dick deep into her butt and shooting off a heavy load of hot cum. Mike blew a big wad into her mouth—I know, because I've seen what he can shoot off. We all ended up in a big heap on the floor, laughing and cursing while we caught our breath.

Then Maria lay on her back and threw her legs open and suggested that I fuck her.

From the way Mike had been chewing her clit, I didn't expect her pussy to be as tight and juicy as it was. That's the great thing about young pussy; it can stay tight for hours, just like a young guy's dick can stay hard for hours.

I straddled her and fucked her good, and then we switched. She gave me a great blowjob while Mike got another chance at her pussy. She sucked my nuts dry. She gave great head, so I decided that even as tight and sweet as her pussy and her ass were, she was no virgin.

She told us she has some girlfriends who would be very interested in our "extra" pool services, too, and we said we were ready to service all her girlfriends, as long as our dicks hold out.

That was a good joke. We've been cleaning pools all over for a couple years now, and our dicks are in great shape.

John, California

licking while I massaged her and rubbed my hands up and down the inside of her legs. Mike was doing great with her pussy, I figured, because all of a sudden she yelled and shook like she was having a fit. She finally collapsed over Mike—and her butt-hole opened like a beautiful flower.

through, the rest was like a piece of soft pastry. She screamed and grabbed Mike's head and slammed it back and forth on her pussy. He reached around and grabbed my ass and yanked hard, driving my dick all the way up Maria's ass while he mashed her pussy into his face.

Janie

This guy came up to me at the mall and asked if I was a model. I told him 'No', was he some sort of creep? He said he's a photographer. I took off my guard and he pulled up his website on his oversized phone. He showed me some naked pictures. Some were artsy and some pretty straight forward. We shot that day, and these are the photos.
